Washington, D.C., April 1, 2002 — The U.S. Mint today announced that the limited edition of 75,000 Ohio Official First Day Coin Covers will be available online at [www.USMINT.gov](http://www.USMINT.gov) beginning 12:00 noon Eastern Time on April 1, 2002. The Ohio Official First Day Coin Cover features two Ohio quarters from the first day of mintage — February 25, 2002.

Priced at \$19.95, the Ohio Official First Day Coin Cover includes quarters from both the Philadelphia and Denver Mint facilities on a handsome display card with the 34-cent United We Stand postage stamp.

The postmark of "March 11, 2002, Wrights Brothers Station, Dayton, Ohio 45409" marks the day Ohio quarters were released to the Federal Reserve Bank and the public. The Ohio quarter is the 17th in the 50 State Quarters Program that honors each of the states in the order they entered the union. Five state designs will be issued each year through 2008 at approximately 10-week intervals.

Ohio's state quarter design is composed of the images of the 1905 flyer, and an astronaut superimposed on the outline of the state. The design also includes the inscription "Birthplace of Aviation Pioneers."
